

European Federation of Organisations for Medical Physics

EFOMP ESMP Bursary for Young Physicists - 2004

Sponsored by EFOMP

The purpose of this bursary is to make it possible for a young physicist in one of the EFOMP member countries to participate **one** week in the European School of Medical Physics, ESMP, in the year 2004. The applicant must have recently achieved or be about to achieve the level of a **qualified medical physicist**, and have embarked upon a program of Continuing Professional Development

The value of the award will be the cost of a one-week registration fee. For 2004 up to three travel awards will be made.

1. Full name and address of the applicant

2. Date of birth

3. Brief curriculum vitae

4. Details of present post and brief details of current duties

5. Please specify which week of the school you wish to attend.

6. Please give a short account of the expected benefits of the school to the applicant

7. Ratification by the Secretary or President of the National Member Organisation of EFOMP
