The European Federation of Organisations for Medical Physics
Secretary General

will be open for elections during the next Council meeting to be held in Krakov (Poland) next 20th of September 2008.

Therefore, it is my pleasure to invite your National Member Organisation to nominate applicants to fill these positions.

It should be also important the candidates express their intentions and purposes for activities to promote in the term of office for the development and the improvement of Medical Physics in Europe.

Nominations for these posts must include the following:

- A formal letter of nomination including the name and affiliation of the nominee, and the names of the Proposer and Seconder of the nomination;
- A letter from the nominee, confirming that she/he is willing to stand for election;
- A brief statement, of no more than 200 words, outlining the nominee's suitability for the post.

Nominations should preferably be sent to the Secretary General by email, to padovani.renato@aoud.sanita.fvg.it or to the Secretary General to the address at the top of this letter.

Nominations should reach the Secretary General no later than 1st July, 2008.

Officers will collate the nominations for consideration. The list of candidates for election will then be circulated together, when necessary, with Officers' recommendations, with the papers for the 2008 Council Meeting.

The full EFOMP Constitution, as amended at the 1999 Council meeting, can be found on the EFOMP Web Site at <http://www.efomp.org/>. If you require further information, please do not hesitate to contact us.

Yours faithfully,

Dr Renato Padovani
Secretary General

Prof. Wolfgang Schlegel
President
